

Hadrian's Wall Path: Walking into History

Jane V. Blanchard

In *Hadrian's Wall Path: Walking into History* you can sense the presence of the ancient Romans and feel what it was like to live on ancient Rome's most northern frontier. Vivid descriptions and 130+ photographs and illustrations of northern England and the archaeological remains depict life on The Wall—now and then. Discover what encompassed the Hadrian's Wall defense system. Find out about the 84-mile-long National Trail. Learn about the current English culture and lore. Understand why so many people visit this World Heritage Site each year. And, perhaps, this book from the "Woman on Her Way" series will transport you back into history.

There are two versions of this book. One with black and white photos, the other with full-color ones.

About the Author

Awards and Review Comments:

Hadrian's Wall Path: Walking into History is a finalist for the prestigious 2015 President's Award from the Florida Authors & Publisher's Association.

"The book is an excellent background for anyone interested in Hadrian's Wall, and a valuable resource for anyone contemplating the same path." ~ Alan W. Roddy, President of the Appalachian Trail Club of Florida (ATFC)

"Hadrian's Wall Path: Walking into History is a riveting, well-written chronicle of a hiking adventure across the English countryside. More importantly, it is what Jane Blanchard herself learns, that "History becomes interesting, and it is coming alive." Fortunately, she does this for the reader as well. I found the details to be illuminating and thought-provoking, yet simple and to the point. Highly recommended! ~ Maryann Burchell, South Bay Publishing LLC

"This book was so much fun!...there are moments of introspection and humor, as well as a hefty helping of back-story about the various events and structures" ~ Elizabeth Chandler, reader.
